CAUSE FOR APPLAUSE

Last week, John Lynch had the opportunity to visit the new \$18 million Technology Building at Columbia Basin College and the new \$35 million Health Care Building at the Penitentiary. Both projects were very well done. John would like to recognize **Dave Combs** and **Nanette Graham** for their excellent project management efforts on these projects.

MINORITY AND WOMEN BUSINESS ENTERPRISE (MWBE) ARCHITECTS AND ENGINEERS

Introduction/Firm Overview

Gerard Interiors is a locally owned Interior Design firm that was founded by Jennifer Gerard the Head Designer on staff.

Our work is focused on commercial interior design and space planning.

We provide design consulting for corporate, commercial, government, hospitality, and medical facilities.

We have a strong working knowledge of sustainable products and the construction documentation and submission process for building permits.

Our skill set includes the following:

- Spatial planning for new construction and tenant improvements.
- Color and Materials selection.
- AutoCAD drawings for conceptual and final design plans.
- Furniture, Fixture, and Equipment specifications and selection.
- Field verification and documentation for existing buildings to include BOMA standards.
- Lighting and Ceiling design.
- Adobe Photoshop renderings of designed space.
